WARDEN AFTER SMOKE NUISANCE

J. N. Mitchell Says City Ordinance Is Being Violated

That the anti-smoke ordinance is being violated in Hancock and that a number of arrests will follow shortly unless conditions are changed in a short time, was the statement made this morning by Fire Warden J. N. Mitchell, who has charge of the enforcement of the ordinance.

A number of Hancock citizens have been warned that they were violating this ordinance and that in case they failed to remedy conditions in the near future would be prosecuted.

Ten prosecutions have already been made this fall under the ordinance, one resulting in a conviction and the other being settled out of court. A number of others have notified the warden that they are now using up a supply of coal that they had on hand when the ordinance was passed and that as soon as it is exhausted will replace it with smokeless coal. To all concerns in this line, Mr. Mitchell promised they would be given time to burn the coal and that no action would be started against them until after they had had a fair chance to obey the law without going to any undue expense.

MCDONALD A CANDIDATE.

Veteran City Clerk Will Run For the

Albus M. MacDonald, city clerk of Hancock for the past seven years, has announced his decision to run for county treasurer on the Republican ticket at the special election to succeed the late W. H. White, Jr. Mr. MacDonald has always been a strong Republican and has much good will and support.

Mr. MacDonald feels that his record as an office holder entitles him to consideration for this position. He was clerk and treasurer of Quincy township for a number of years and then ran for the position of city clerk of Hancock. He was elected by the Republicans six years out of the last seven.

Mr. MacDonald was urged to run for treasurer in the primary last August, but declined, feeling that Hancock had enough candidates in the field already.

DOUBLY PROVEN

Calumet Readers Can No Longer Doubt the Evidence.

This grateful citizen testified long ago.

Told of quick relief—of lasting benefit.

The facts are now confirmed.

Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

Charles J. Lindquist, 149 Hecla St., Calumet, Mich., says: "I was bothered for a long time with kidney disease and nothing that I took made any better until I used Doan's Kidney Pills. This remedy cured me and my cure seems to be permanent. My kidneys were in bad shape. There was sediment in the kidney secretions and the action was too frequent and at times painful. My back ached and colds seemed to settle in my kidneys, causing great annoyance and pain. I finally used Doan's Kidney Pills and they cured me." (Statement given August 22, 1910.)

A SECOND STATEMENT.

When Mr. Lindquist was interviewed on November 16, 1911, he said: "I willingly confirm the statement I gave recommending Doan's Kidney Pills in 1910. The cure they effected has been permanent."

TORCH LAKE

HAS NEW POSITION.

Gassimir Weiss Now Representing Martel Blow-Out Protector Co.

Gassimir Weiss, a Lake Linden young man, has accepted a new position as a traveling salesman and demonstrator for the Martel Blow-out Protector Co. of Chicago. The apparatus is for the benefit of automobile owners and in cases of a blow-out or puncture, repairs can be made within a few moments and with but very little cost to the owner of the machine. The new device does away with vulcanizing and the inside patching is also discarded, so effectively is the new apparatus for repairing tires.

For breaks in the tire near the rim a plate is used, this being fastened by one bolt, while for a blow-out in the center of the tire a boot is used, either being adjusted within a couple of moments. Weiss has been assigned the entire state as his territory and will devote all of his time to the work.

CONCERT IN CHURCH.

Hubbell Band to Play in Catholic Edifice Before Dedication.

Saturday evening, Dec. 7, the members of the Hubbell band, under the direction of Henry L. Smith, will render a concert program in the new St. Joseph's church. In addition to the musical numbers by the musicians there also will be vocal selections on the program, and it is expected some of the best talent of the county will be here to assist in the entertainment.

The members of the band are willing to donate their services to assist in raising a little money with which to apply on the church indebtedness. A small admission will be charged. The program is now being prepared.

Work is going ahead favorably in the interior of the church. The dedication is planned for Sunday, Dec. 8.

THANKSGIVING SERVICE.

Congregationalists and Methodists to Unite Thursday Evening.

Thursday evening, Thanksgiving, the Congregational and Methodist congregations will meet in the M. E. church for a union service. Rev. Frederick Bagnall, pastor of the Congregational church, will deliver a special sermon appropriate to the occasion. The choir of the churches also will take part in the service by singing special songs.

The meeting will take place at 7 o'clock and the public is cordially invited to attend.

AT THE SACRED HEART SCHOOLS

Literary and Musical Clubs Render Fine Programs

Last Friday afternoon the pupils of the Sacred Heart high school tendered their customary musicale in honor of St. Cecilia, the patroness of music. The program proved a most enjoyable and interesting one. Each feature presented was an exhibition of rare skill and talent in the musical line, and reflected the greatest credit upon the careful training of the young artists.

Literary Clubs.

To widen their scope in the pursuit of literature, each high school department has organized a literary club. Within the past month, the Newman club composed of seniors, paid a tribute to their admirable patron, Cardinal Newman, and entertained the high school students and the pupils of the eighth grade with an appropriate program consisting of essays, poems and musical selections from their chosen author.

The Ryan club, under the supervision of the juniors, afforded their contribution in a most pleasant and instructive "Afternoon with Father Ryan."

In the near future, the "Round Table Club" will entertain with the portrayal of Tennyson's "Idylls of the King." In close succession the Donnelly club under the able management of the freshmen, will honor their respective authoress, Eleanor C. Donnelly, with an attractive program.

The various physical culture classes are making fine progress and the students evince great interest and zeal in the exercises. The assisting corps consist of Wendell Cook, John Shea, Horace Brouillet and Raymond Schulte for the boys, while Corinne Brouillet, Hazel Meunier and Veronica Kelly direct the girls.

All of the classes of the grades have been extremely active within the past month in challenging and conducting contests in reading, spelling and history.

THANKSGIVING SERVICE.

Large Attendance Expected at the Laurium M. E. Church.

The program for the annual Thanksgiving union service to be held Thursday morning in the Laurium M. E. church was announced from all of the local pulpits yesterday, and it is believed there will be a very large attendance.

Rev. M. H. Eldred was named a committee of one to make arrangements for the program, which will commence at 10:20 a. m. The Thanksgiving sermon will be preached by Rev. W. H. Collycott, pastor of the Osceola M. E. church. The detailed program for the services follows:

Prayer—Adjutant Jackson of the Salvation Army.

Hymn—Announced by Rev. Luther K. Long of the Calumet Congregational church.

Benediction—Rev. J. Strom.

COPPERDOM TO HAVE HOCKEY

Fast Sport Is Assured For the Coming Winter

The copper country is assured of fast hockey this winter, sport which will compare favorably with the best that has been seen here. The organization of the Copper Country Amateur Hockey league was completed at a meeting yesterday afternoon in the Palestra, with the following officers.

President—William Skinner, Crescents.

Vice president—Lawrence C. Croze, Houghton.

Secretary—Percy Welschauer, Lake Linden.

Treasurer—Thomas Dolan, Mohawk.

The league will be composed of four teams, Houghton, Mohawk, Lake Linden and Laurium. Each team will be allowed to have ten amateur players. No age limit has been provided, but semi-professional players, or any player who has received pay for his services in any branch of athletics will be barred.

Each team will be called upon to engage in one game each week, according to a schedule which is now being prepared by George Horkins, the games to be played on the Palestra, Amphitheatre and Glaciarium, probably Thursday evening. There will be two full thirty-minute halves, one game being the full program for each evening, instead of three games as were provided last winter. Popular prices, twenty-five and fifteen cents for adults and children, respectively, will be charged for each game. The date for the opening of the season probably will be about the middle of December, but this will be announced later.

That some good sport may be expected is the guarantee of the league officials. Each team will be composed of players from eighteen to twenty-two years of age. The Crescents have played together for five successive years, and last winter provided a brand of hockey which approached if it did not equal the best performances of paid players. This year, further improvement may be expected as the players are older and stronger and

will have more opportunity to practice than formerly. The players on the present teams commenced to play hockey in the days of the out-and-out professional teams, of the Stuart brothers, McMillan, Mallon, Nicholson, Strike, Scott and Gardner. They have worked hard and have mastered the intricacies of the game. Now they are making their bid for public favor and it is expected they will provide interesting sport.

The Crescents have already ordered their uniforms for the season. Their jerseys will be of myrtle green, with a white stripe in a slanting position on the front and back with the word "Crescents" on both sides. The jerseys will have white cuffs and neckbands and the stockings will be of green with a white stripe.

Do You Suffer From Rheumatism?

WHEN you are stiff, sore, lame or "achy" in any part of your body, it simply indicates that some body poisons have accumulated in that part. The blood is not able to carry them away fast enough. Aches and pains result. Remove the cause—the accumulations of body poisons and mineral deposits, and relief will come.

Webster's White Liniment is what doctors call a "counter-irritant." When rubbed vigorously and thoroughly into the pores of the skin at the affected part, it stimulates the circulation of the blood. You will notice the skin get red. The blood stream, now working with more vigor, carries off the poisons to the kidneys, where they are filtered out and disposed of.

Webster's White Liniment

In the same way relieves lame back, stiff neck, swellings, strains, sprains, burns, stiff joints, bites of insects, etc.

Webster's White Liniment is pure, clean, non-poisonous; will not stain, blister or irritate a tender skin. It is scientifically compounded by the ablest pharmacists. Forty years' experience as manufacturing chemists has taught us how to make all Webster preparations so good that we can absolutely guarantee them.

The price of Webster's White Liniment, 25c and 50c, will be cheerfully refunded, if you are not satisfied with results after a fair trial.

There is a Webster Guaranteed Remedy for nearly every common ailment that does not require a doctor. High-grade toilet articles also.
